AMERICAN NICKEL WORKS,

Camden, N. J. Jan 17 1866

Hon Daniel McDoy, Supt. U. S. Mint

Dear Sir

Permit me to remark that when the shipments now on the road shall reach you, there will remain of your orders unfilled but 8035 lb. of Lingo blanks and 18.236 - - nickel.

You may therefore now perhaps think it timely to give further orders, and thus avoid the interruption in supply which must occur if the new order is withheld until the old one is entirely filled

Yours truly
Joseph Wharton
